1 **INT. MEETING OF SCRIPTS UNITED - DAY**
 Nowhere land - @Noone in particular

1

The first script, Prvnak, walks in and sits down.

Upon sitting down,
it opens a book up
and starts reading.

 PRVNAK
 Our story begin a long time ago in
 a far-away place.

Another script walks in. Its name is *Segundo*.

 SEGUNDO
 Hola, everyone. I come from the
 distant lands of **Differentfile**.

The third script, aptly named Third, walked in as the
last one, thus preserving the order of business and it
started to speak.

 THIRD
 (mysteriously)
 You're probably wondering why I've
 gathered you here today.

 PRVNAK
 Yes, why?

 SEGUNDO
 (PAUSE)
 -why?

ERROR
